

## **6.5 & 7.5 Mixed Doubles League**

This time of year, it is difficult to form traditional teams with 10-12 players on each team to field three (3) positions of doubles per match; therefore, let's try a DOUBLES league for Mixed Doubles!

Pick your partner & you two (2) are a team. You can have additional players on your team to cover injuries, vacations, etc. Ideally, your team would have four (4) players – 2 men & 2 women. You will be scheduled to play other teams in your group – 6.5 skill level or 7.5 skill level.

**Format = ONE (1) position of doubles plays per week**

- \$20.00 per player

- 10-point tiebreak in lieu of a full 3<sup>rd</sup> set
